Re: Creditor's Application of Leave of
Payment for Living In An
Possible Lead Paint Contaminated
Rental Property Case No.(s)
05-36514-JFS and 05-36870-JFS

Dear Judge Schneider:

Please accept this letter as an
application of payment for living in an
possible lead paint contaminated property
owed by the debtor in the above
citing case no.(s), in the amount
of \$800,000.00.

Your Honor, it is my belief that

page 1 of 3

No proof of claim need be filed by me in this case where it has already been stipulated on record before this court that I could be a creditor in this case as the result of the rental property owned by debtors at 2009 Kennedy Ave. in which I lived from 1970 through 1992.

Your Honor I also ask that the court take into consideration that I have been incarcerated since 1993 within the Federal Bureau of Prisons and that no notice for proof of claim has been served to me by debtors at this address resulting in my being unfamiliar with my requirements pertaining to this case.

Your Honor I also ask that

this court take into consideration that my incarceration may last until 2035.

Wherefore, I, Nicholas Queen, a possible creditor in this case request the court to grant this application if there are no objections within 30 days of the date April 18, 2009.
